

# Prayer to Christ the King

Jesus Christ our King,  
Your name and Your title are the desire of our souls:

Gentle King, Love Incarnate,  
reigning from the throne of Your crib,  
You were born of a humble Virgin and became poor  
that we might become rich in your grace.

Crucified King, Priest and Victim,  
reigning from the throne of Your cross,  
You emptied Yourself of glory in loving obedience  
that we too, might abandon ourselves to the Father's unconditional love.

Eucharistic King, consuming Fire of Love,  
reigning from the throne of Your tabernacle,  
You deepen our union with Yourself  
that we might be nourished and strengthened to bear Your presence to the world.

Majestic King, Spouse of our souls,  
reigning from Your throne in Heaven,  
grant that we may lay our hearts before You in loving fidelity  
and draw us into Your communion of love with the Father  
and the Holy Spirit for all eternity. Amen.
